

EU – DECLARATION OF CONFORMITY

Kleinhuis Cable Cleats and system components for electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance with standard/directive **DIN EN 61914**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Cable Glands and system components for electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance with standard/directive **DIN EN 62444**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Cable Trunking Systems and Cable Ducting Systems and system components for electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with	DIN EN ISO 9001
Tested in accordance with standard/directive	DIN EN 50085 - 1 DIN EN 50085 – 2 – 1 DIN EN 50085 – 2 – 3

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Connecting Boxes and system components for fixed electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with	DIN EN ISO 9001
Tested in accordance with standard/directive	DIN EN 60670 - 1 DIN EN 60670 - 22

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Connecting devices for low voltage circuits and system components

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with	DIN EN ISO 9001
Tested in accordance with standard/directive	DIN EN 60998 – 1 DIN EN 60998 – 2 – 1 DIN EN 60998 – 2 – 2

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Earth Rods, Earth Plates, Earth Strip, Earth Wire and system components

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance with standard/directive **DIN EN 62561**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Equipotential Bonding Rail for electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance or based on standard/directive **DIN VDE 0618-1**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Lamp Holder and system components

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance with standard/directive **DIN EN 60238**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Main line branch terminals and system components

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with	DIN EN ISO 9001
Tested in accordance with standard/directive	DIN VDE 0603-1 DIN VDE 0603-3-1

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Mounting and Top Hat Rails and system components for mechanical support of electrical devices in switchgear and control gear installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

**„Directive of the Council for the Harmonisation of the Member State Regulations
concerning the utilisation of electrical equipment within defined voltage ranges“**

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested in accordance with standard/directive **DIN EN 60715**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.

EU – DECLARATION OF CONFORMITY

Kleinhuis Strip Earthing Cleats and Earthing Cleats for electrical installations

The described product conforms to the regulations of the following European directives:

Low voltage directive 2014/35/EU

„Directive of the Council for the Harmonisation of the Member State Regulations concerning the utilisation of electrical equipment within defined voltage ranges“

We declare, in our sole responsibility, that the above-mentioned products comply with the regulations and guidelines of the following standards

QM-System in accordance with **DIN EN ISO 9001**

Tested based on standard/directive **DIN EN 62561**

Affixing the CE-identification label for the first time: 2000

53545 Linz am Rhein, 26.06.2023

Executive Technical Director

This declaration certifies the conformity with the above directives, however, does not include a guarantee about properties.

The safety instructions during installation and use must be observed.
